

The mission of the National Association of Health and Educational Facilities Finance Authorities (NAHEFFA) is to support access to readily available, low-cost capital financing options for not-for-profit and governmental health and educational institutions. NAHEFFA promotes the common interest of:

- Organizations with authority to provide capital financing for health and educational institutions;
- Providers of health or educational services; and
- Industry organizations supporting and/or representing those providers of health or educational services.

NAHEFFA seeks to enhance the effectiveness of all such organizations and their programs and focuses its efforts on issues which directly influence the availability of, or access to, financing options for health and educational institutions.
